

Business Meditation™

A Process for Sustained Business GROWTH & DEVELOPMENT

Charges Rs. 5,000.00 per hour or part thereof

A one to one Session - By prior appointment

Success is not one time accomplishment; it is a continuous process.

In current times rules of the game have changed.

- Do you know the new rules...?
- Do you understand the new market dynamics...?
- Do you know what is 21st Century Leadership...?
- And how it is different from its earlier version...?
- Is your workforce positively engaged...?
- Is your workforce execution oriented...?
- Do you know the way forward for sustained success...?

Does any of the following apply to your business...???

- You own a business and the employees are not positively engaged
- You own a business and it is not growing as per your dreams
- You own a business and don't have a strategic plan to capture the market
- You own a business and you have a strategic plan, but you can't execute the same

then, you need **BUSINESS MEDITATION™**

Meditate on your business with
